New York State Grades 3-8 **ELA and Mathematics** Computer-Based **Testing**

Proctor Training – Part 1

Purpose of this Training

The Proctor Training will provide proctors and test administrators details on the responsibilities for proctoring before, during and after the computer-based test administrations.

This training is posted under the Resources section on CBT Support at:

https://cbtsupport.nysed.gov/hc/enus/categories/201173603-Grades-3-8-ELA-and-Math-

Computer-Based-Testing

Agenda – Part 1

- What is the Role of a Proctor for Computer-Based Testing?
- Overview of Operational Testing Dates
- Overview of Field Testing Dates
- Preparing for Test Day
- Customer Support

What is the Role of a Proctor for Computer-Based Testing?

Proctors must follow all security protocols when supervising the test administration:

- Circulate periodically around the room during the administration of each session of the test to ensure that students are not having difficulty navigating within the online test form
- Make sure that students are recording their multiple-choice and constructed-response answers in the Nextera® Test Delivery System
- Keep all student testing devices fully charged prior to testing. Have power cords available for devices that need to be charged.
- Actively proctor students as they are testing to ensure that devices are working and that students do not hit the power button to turn devices off while testing.
- ➤ Before a student submits the test, proctors should review the Review screen with the student to ensure the student has answered all the questions and should point out to the student if they have left one or more answers completely blank.

Proctors must follow all security protocols when supervising the test administration:

- Do not comment to the student on the correctness or sufficiency of any answer
- Proctors may give students assistance only in the mechanics of taking the tests, such as understanding the navigation of the Nextera Test Delivery System.
- Ensure a secure environment is maintained.
- Do not use cell phones or other photographic devices to duplicate test materials
 - Never take photos of the operational test, even if there is an issue that you need to report to NYSED and Questar

The table below representation.

x	у		
-1	5		
1	9		
3	13		
5	17		

Which function has a greater slope and a greater y-intercept than the linear function represented in the table?

- (A) y = 2x + 8.5
- (B) y = 3x + 7.5
- (c) y = 5x + 6.5
- (D) y = 10x + 5.5

The Proctor should be familiar with all Nextera Test Delivery navigation features as well as how to tell if a student's testing device is online or offline while the student is testing.

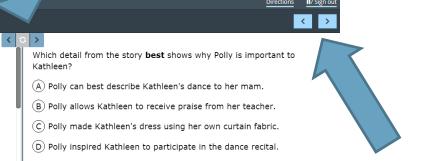

In Ireland in 1937, Kathleen Murphy represents her dance school at a recital. She scans the audience for her Aunt Polly as she nervously awaits her turn to perform.

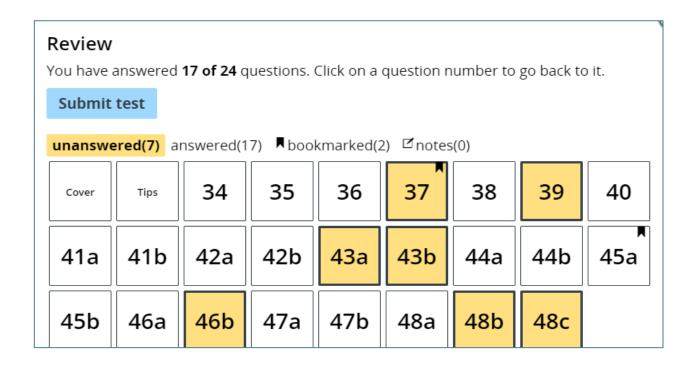

Excerpt from Kathleen: The Celtic Knot

by Siobhan Parkinson

I put my weight on my left foot and stood with my right foot poised, wondering what on earth I was going to do when the music started, because I couldn't remember even the

The proctor should be familiar with the Review & Submit screen in the Nextera Test Delivery System to assist students with identifying unanswered test questions.

Overview of Operational Testing Dates

CBT Operational Testing Dates

The operational testing schedule is posted on NYSED's website:

http://www.nysed.gov/state-assessment/grades-3-8test-schedules

Operational Testing Manuals are available from the Office of State Assessment website:

http://www.nysed.gov/state-assessment/grades-3-8-ela-and-math-test-manuals

Overview of Field Testing Dates

NY 3-8 ELA & Math CBT Field Testing

The field testing schedule is posted on NYSED's website: http://www.nysed.gov/state-assessment/grades-3-8-test-schedules

Field Testing Manuals are available from the Office of State

Assessment website:

http://www.nysed.gov/state-assessment/grades-3-8-ela-and-math-test-manuals

- School Administrator's Manual for Computer-Based Field Testing
- Teacher's Directions

NY 3-8 ELA & Math CBT Field Testing

Field Test Administration

- Multiple-choice and short- and/or extended-response questions
- Single class period of approximately 40 minutes

Preparing for Test Day

Questar's Platform Overview

Nextera® Test Delivery System

- Questar Secure browser
- Downloaded to students' devices
- Students access and complete tests
- Offers practice with previously released state questions

Nextera® Administration (Nextera Admin)

- Online Test Administration System
- Multi-tiered, role-based system
- Manage students and student-test taking

CBT Technology Readiness

Work with your technology coordinators to make sure the devices are ready for testing:

- Make sure you have enough devices for students
- An external keyboard must be provided and available for all students testing on computer
- Make sure all mice are working (check batteries!)
- Confirm the updated version of the Questar Secure Browser has been installed and tested on all student testing devices
- Make sure all computers are fully charged and, if possible, plugged in.
- Consider additional hardware you want to have on hand, such as additional devices, extra power strips.

Preparing Your Exam Room

- Provide a well-lit, well-ventilated, and quiet classroom
- Completely cover or remove from walls any aids, charts, testing posters (Equation Editor Tools, tips on using Drawing tool, etc.)
- ➤ Plan seating arrangements. Allow enough space between students to prevent sharing of answers.
- ➤ A seating chart or other record of student device assignment is recommended in the event a situation requires a student to leave and return to a device.
- Plan for students' personal devices during testing.
 - For more information, please view the CBT Support article: https://cbtsupport.nysed.gov/hc/en-us/articles/360022415891

Preparing Your Students

- Help students approach testing in a relaxed, positive way.
- Encourage and motivate your students to put forth their best effort.
- Be sure students understand the directions.
- Be sure students have had the opportunity to practice using the practice tests in the secure browser and the online New York State Question
 Sampler prior to testing.
- There are four ELA and Math practice tests for each grade level and content area to further familiarize students with the testing experience. There are three Science practice tests for Grade 5 & 8.
 - Usernames and passwords can be found in <u>Nextera Admin</u> within the Help tab and on CBT Support: https://cbtsupport.nysed.gov/hc/en-us/articles/360000813612-Questar-Secure-Browser-Practice-Test-Logins
- Encourage students to attempt all questions. Tell them to read each question carefully and make their best attempt at answering each one.

Nextera Admin

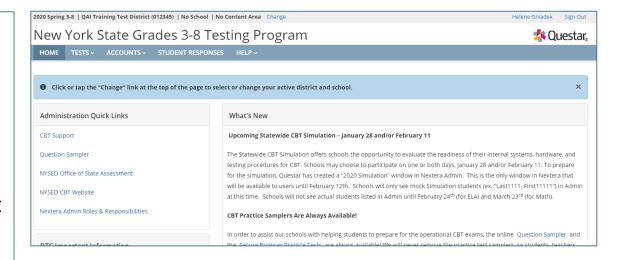

It is a local decision as to whether or not the teacher or proctor has access to the Nextera Administration System (Nextera Admin). For this presentation, we are assuming that the proctor/teacher will be logging into Nextera Admin.

We will go through the steps to prepare CBT for the testing day within Nextera Admin.

Examiner View

Proctors can also use the Examiner View in Nextera Admin to monitor testing status.

The School Testing
Coordinator (STC) or District
Testing Coordinator (DTC)
can provide this during
testing.

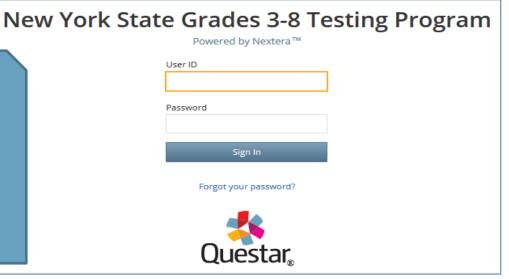

Accessing Nextera Admin

- To access Nextera Admin, contact the District Test Coordinator (DTC) or Principal (PRN) in your district or school and ask them to create and activate your account prior to the administration.
- 2. New users will receive a "Welcome to Nextera" email from Questar with a username and temporary password.
 - Log in using your provided credentials.
 - Follow prompts to accept a security agreement and change your password.

Password Rules:

- Must be 8 characters in length
- Must be alpha-numeric and contain at least one number
- Must contain one uppercase letter
- Case-sensitive

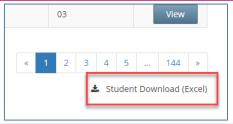

Prior to Administration: Students Tab

Confirm Accommodations using the Student Download Report

- This report is useful to verify all accommodations are set properly before testing.
- ➤ The Student Download Report is available from the Students/Students tab at the bottom of the student list.
- This report includes all students based on the user's access.
- Run this report after all Student Accommodations have been set, before printing Login Tickets.

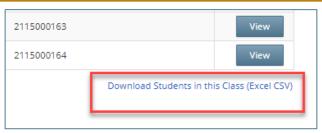

AI School 1 (999	990010052)						
Math							
StudentID	FirstName	MiddleName	LastName	Grade	Subject	Accommodation	Accommodation Option
2115000000	Reviewer	Q	AM	3	Math	Answer Masking Tool

Prior to Administration: Classes Tab

Confirm Accommodations using the Classes Report

- This report is useful to verify all accommodations are set properly before testing.
- The Classes Report is available from the Classes tab at the bottom of the student list for the specific Class.
- This report includes all students within that class/grouping.
- Run this report after all Student Accommodations have been set, before printing Login Tickets.

Tests Tab

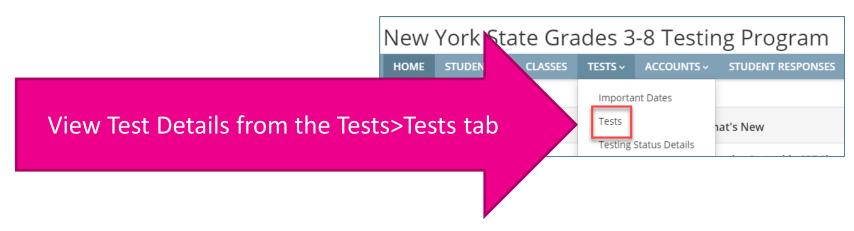

The Tests Tab is where you will find Important Dates, track student progress, print student login tickets, and find Session Access Codes.

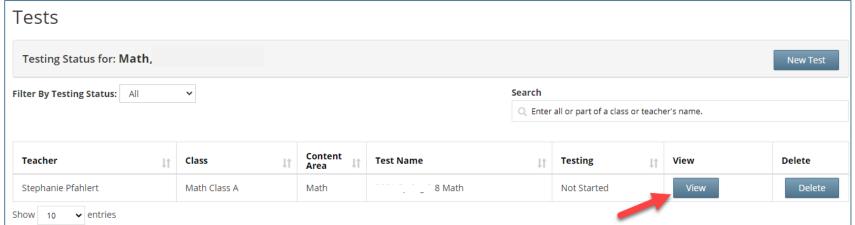

The Tests Tab opening dates: https://cbtsupport.nysed.gov/hc/en-us/articles/360018292991-Monthly-Events-Calendar-for-CBT-2022-23-School-Year

Tests Tab

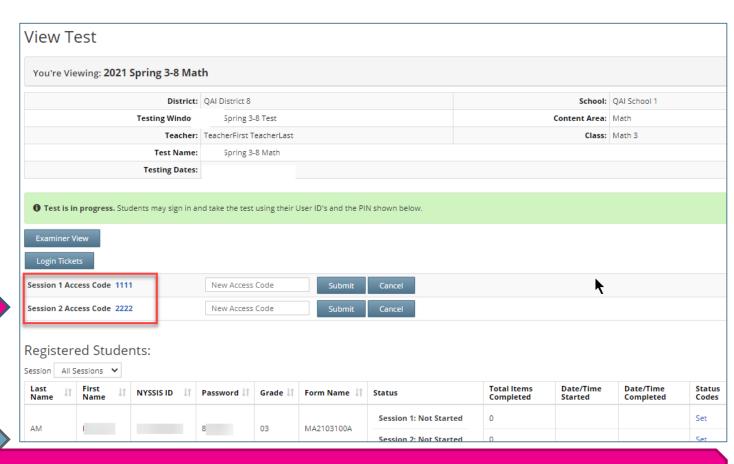

Tests Tab: Session Access Codes

The Session Access
Code is the 4-digit
code that the proctor
will provide to the
students during the
administration of the
test.

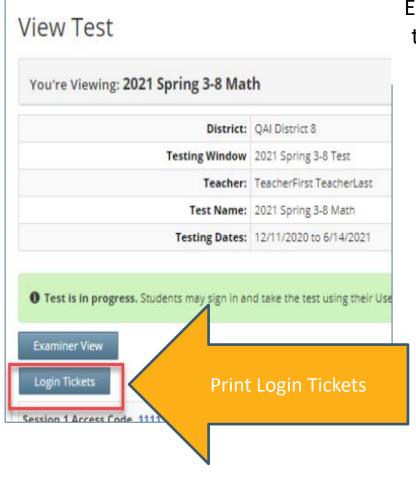

Student Details

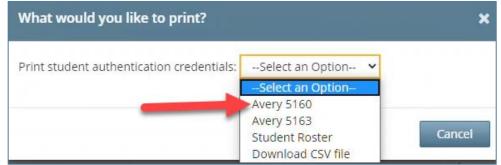

Students need the Session Access Code every time they log into a test.

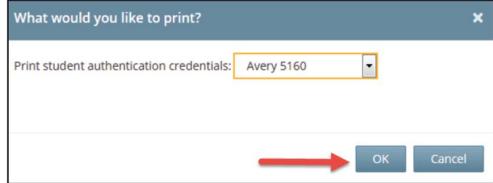

Tests Tab: Login Tickets

Each student will need Login tickets to log in to the test session. Student credentials are the same for Operational Session 1 and Session 2.

Tests Tab: Login Tickets

Sample Student Login Tickets:

First	Last	9921010304	654321	2021 Spring 3-8 Math

Save file with class name/details

Tests Tab: Login Tickets

- ➤ Proctors will need to print the Student Login tickets or an administrator will print and provide the login tickets prior to each testing day depending on the roles and responsibilities of each district/school.
- Print Student Login Tickets as close to the actual test administration.
- Once the Student Login Tickets are printed, they must be stored securely.
- Student Login Tickets can not be distributed until the first day of the CBT test session.

Troubleshooting Tip for Printing Login Tickets

If you are attempting to print student login tickets on label stock and the student login tickets are not aligning properly with the labels, try the following steps:

- 1. Save the .pdf file
- 2. Find the .pdf on your local drive and open it
- 3. File > print
- 4. Click "Custom Scale: 100%"
- 5. Be sure paper size says 8.5 x 11
- 6. Click Print

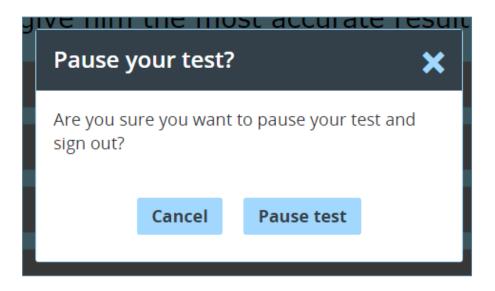

Proctor PIN

- The Proctor PIN is an 8-digit code required when a student needs to restart a paused test
- School Testing Coordinators or Principals will provide the Proctor PIN prior to the start of each testing day
- The Proctor PIN is secure

Proctor PIN

Once a test is Paused, the Proctor PIN is required to log back into the test.

Proctor PIN

Being mindful of the health and safety protocols established at schools in response to COVID-19, for the spring 2023 administration, schools have the option of having students enter the Proctor PIN themselves. If a school chooses this option, the Proctor PIN should be reset after each test session. Please work with your Principal or School Test Coordinator to verify the Proctor PIN is reset.

Access Code vs. Proctor PIN

The Access Code and Proctor PIN pop-up boxes look similar in the Nextera Test Delivery System but require different codes.

The Access Code is required every time a student logs into the test.

The Proctor PIN is required when a student logs back into a previously started test the was paused.

Customer Support

Reminder about Personally Identifiable Information

- ➤ When contacting your School or District Test Coordinator, do not send any Personally Identifiable Information (PII) for a student via email. This is a violation of the Family Education Rights and Privacy act (FERPA).
- ➤ PII includes information such as a student's name or date of birth. Should you need to communicate via email regarding a particular student, please only share the NYSSIS ID.

Customer Support Information

Schools with questions concerning the CBT should:

- Contact your Principal or School Test Coordinator
- Contact your Regional Information Center/ District Level Support
- 3. Contact Questar Customer Support:

Email: NY.3-8.help@questarai.com

Phone: 1-866-997-0695

4. For policy support/questions, please contact NYSED:

CBTSupport@nysed.gov

https://CBTSupport.nysed.gov

Thank you!
